PROFILE

Undergraduate Information Systems student at BINUS University with a strong focus on banking and technology consulting. Experienced in supporting large scale digital transformation projects for major financial institutions, particularly within IT operations and internal banking systems. Skilled at translating complex business and user needs into clear system workflows, functional requirements, and practical recommendations that drive effective decision-making and project execution.

EMPLOYMENT HISTORY

FS Strategy and Operations Intern, PwC Southeast Asia Consulting *Jan 2025 - Dec 2025*

- Supported a digital transformation project for the payment operations division of a major Indonesian SOE bank, focusing on streamlining system workflows and dashboards.
- Managed the full SDLC of requirement gathering, from user interviews and defining functional specs to coordinating grooming, development, testing, and supporting deployment and piloting.
- Developed practical recommendations for the client based on user insights and feature analysis to guide decision making throughout the project.
- Collaborated with cross-functional teams in a fast-paced professional services environment, demonstrating strong written and verbal communication in English and Bahasa Indonesia.

UI/UX Designer Intern, Westbike *Jul 2023 - Dec 2023*

- Led requirement gathering for Westbike, translating user needs into clear product requirements for the workflows and dashboards.
- Designed the UI and UX for Westbike, including detailed wireframes for both mobile and desktop platforms, applying user centred design principles.
- Produced data-driven design recommendations that informed product roadmap decisions, demonstrating analytical thinking and structured problem solving.

EDUCATION

Bachelors Degree, Information Systems (Minor: Digital Technology), BINUS University *Aug 2022 – Jul 2026 (Expected)*

- Studying Information Systems, minoring in Digital Technology with a focus on application development.
- Member of BINUS Cybersecurity Community, attending regular sessions on security frameworks, threat analysis, and secure system design.

High School, SMAS Pangudi Luhur *Jul 2019 - May 2022*

- Studied Social Studies at SMA Pangudi Luhur High School, focusing on humanities and economics.

VOLUNTEER

Education Mentor, Teach for Indonesia / Panti Tunas Mahardika

- Led and organised a team for effective event preparation.
- Conducted educational sessions on anti corruption, anti bullying and anti racism.
